

## Alumni Association Takes Graduates Out to the Ballpark

The Alumni Association recently held two events in San Antonio and Durham, North Carolina, at which graduates and their family members and guests enjoyed food, fun, and America's favorite pastime. On May 12, local alumni of all ages and current residents attended a [San Antonio Missions game](#). Attendees gathered on the Home Run Patio for an all-you-can-eat buffet, lively conversation, and a great baseball game.

Late-afternoon thunderstorms did not deter a few faithful North Carolina alumni and their family members from turning out to the [Durham Bulls game](#) on June 22. The 90-minute rain delay gave attendees a chance to mix and mingle around the buffet tables under the Hurricane Patio canopy before taking their seats for an exciting game in which the Bulls battled back from a three-run deficit to squeeze out a 6-5 victory.
