VI. DOCTOR OF MEDICINE (M.D.) POLICIES AND REGULATIONS

P. Student Governance

Class officers are responsible for the management of class activities and are the official class representatives in interaction with the administration of the UT School of Medicine at San Antonio (SOM) and UT Health Science Center at San Antonio (HSC). In addition to the usual slate of officers, two students from each class are elected as representatives to the Student Government Association.

Elections are held in the spring to choose officers and representatives for the next academic year. In the case of the first year class, elections occur in October. Elections are supervised by the Office of Student Affairs.

Committees of the SOM and the HSC (both standing and ad hoc) have student representation. Appointments to SOM committees are approved by the Deans in the Office of Undergraduate Medical Education and those to HSC committees by the Vice President for Academic, Faculty and Student Affairs upon recommendation from the Deans for Student Affairs.

The following committees have student representation:

- SOM Committees:
  • Admissions
  • Curriculum
  • Student Affairs Advisory Committee
- HSC Committees:
  • Campus Health and Wellness
  • Computing Resources
  • Infection Policy and Education
  • International Relations
