EX-Officio Member (non-voting)

Blankmeyer, Bonnie, PhD

Kobbe, Heather A., SPHR

Meets: Quarterly

Terms of Appointment: Members are appointed to a term of three year on a staggered schedule with one-third of the committee completing their term of service annually. In situations where deemed necessary for efficient committee functioning. The Medical Dean may extend or shorten the period of service by any committee member. The Associate Dean for Faculty and Diversity serves as Chair.

Membership: Faculty members', house staff and students are appointed by the Dean after consideration of interest survey responses and Medical Faculty Assembly Executive Committee recommendations.

Charge: To advise and assist the Associate Dean for Faculty and Diversity in developing, updating and supporting policies and programs that advance diversity and inclusion related to the School of Medicine faculty, staff, students, and other trainees, and in particular regarding recruitment, hiring, retention and promotion. The Diversity Committee reports through the Associate Dean for Faculty and Diversity to the Medical Faculty Assembly.
