MD/PhD program MS4’s Match!

Our three MS4 MD/PhD students crisscrossed the country with residency interviews and matched at exceptional residencies on March 20th. (L-R) Josephine Thinwa, will do her residency at UT Southwestern/Internal Medicine Physician Scientist Training Program, Adam Rossano will be doing a post-doc at Mayo Clinic/Physiology, and Diana Villarreal will be doing her residency at Baylor College of Medicine in San Antonio/Pediatrics.

Tiffani Houston, GS3 was awarded the F31 grant from the National Institute of Environmental Health Sciences and is titled, “The inflammatory consequence of arsenic-mediated urothelial endocrine disruption.” The award will fund Tiffani through the duration of her time in the MD/PhD program.

Rachannah Jamshidi, GS4 was awarded Best Oral presentation at the Annual meeting of the Behavior, Biology, and Chemistry conference on March 14th. The title of her presentation was “Structural modifications to the kappa opio-

Curtis Clark, GS1 was awarded the UTHSCSA Microbiology and Immunology Student Travel Award for the 2014-2015 academic year for $1500.00, and also won 2nd place in the medical student division at Passport 2015, UTHSCSA which conveyed the Medical Alumni Merit Award for $600.00.
Graduation for the GSBS will be held

Friday, May 15, 2015 at 4:00PM in the UTHSCSA Holly Auditorium.

If you have any questions, contact the GSBS Dean’s Office at 567-3709.

Callaway DA and Jiang JX. Reactive Oxygen Species and Oxidative Stress in Osteoclastogenesis, Skeletal Aging, and Bone Diseases. JBMM. Accepted. 2015

6th Annual MD/PhD Retreat

Jeff Cooney, GS1 (Top right) won Best Poster presentation by peers. His presentation was titled “Combinational targeting of the B cell receptor in diffuse large B cell lymphoma.”

Justin Drerup, GS2 (Top left) won Best Oral presentation by peers. His presentation was on “Regulatory T-Cell Depletion by Anti-CD25 Antibodies Promotes T-Cell Cytotoxicity and Survival in Ovarian Cancer Model.”

David Melton, GS5 (Bottom left) won Best Oral presentation by Faculty award. His presentation was titled “microRNA-9: Mediator of Inflammation.”

Arpan Satsangi, MS2 (Bottom right) won Best Poster presentation by Faculty. His presentation was “Conception of a multi-directional deflection sensor for measurement of compressive deformation of stabilized artificial bones.”
MD/PhD Recruitment Fairs

Our very own MD/PhD students working really hard to recruit and answer all questions for interested UT Austin undergrad students. On February 26th Kristen Rogers, GS1 participated in the South Texas Swing event where she was able to recruit undergraduate students. Where as Brett Ipson, GS1 and Eithan Kotkowski, MS2 participated in the Undergraduate Research Forum also at UT Austin on April 17th where they were able to judge posters and recruit students as well. Thanks for all your help guys!

New addition to the MD/PhD Family

Congratulations to Curt Clark & family on their newest addition!

**Greta Frances Clark**

was born on April 19, 2015, weighing 8lbs. 15oz. and 21 in. long.

---

**Bench to Bedside Series 2014-2015**

- **May 11th** – Ralph DeBerardinis, MD, PhD
  Associate Professor in Pediatrics
  UT Southwestern
